

Delock Wall Mounting Bracket for Google Home mini

Description

This wall mount by Delock is designed to attach a Google Home mini to a wall socket. Thanks to the functional and simple technology, the wall bracket can be mounted on the wall in a very short time without drilling. For this only a standard power socket is necessary.

Integrated cable management

Due to the compact design and the integrated cable storage in the rear, invisible area, this Google Home mini wall mount is a visual and functional highlight.
