

Delock Cable Tie with Expansion Anchor L 140 x W 4 mm black 10 pieces

Description

These cable ties by Delock can be used for a space-saving bundling of single cables, wires and tubes.

Integrated expansion anchor

Due to the additional integrated expansion anchor, these cable ties are suitable for mounting in drilled holes, e.g. in a PC case or on a mounting plate.

Simple application

The anchor can be pushed into the pre-drilled hole of a plate and on the backside of the plate, the anchor spreads out again and locks in place.

Brilliant resistance

The cable ties have a good resistance to high temperatures and are characterized by their tensile strength.
