

Delock Corner Duct self-adhesive 56 x 32 mm - length 1 m white

Description

This cable duct by Delock can be used to bundle and conceal exposed cables that are located in the corner of a room and run from the ceiling to the floor. The cable duct also protects the cables against dirt and damage.

Toolless assembly

The cable duct is provided with an adhesive tape on the bottom and can therefore be easily and simply attached e.g. to the floor, wall or ceiling. The adhesive tape also ensures a firm and secure hold.

Plenty of space for different cables

Depending on the diameter and thickness of the individual cables e.g. antenna cables, HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away.

Reusable

The upper part of the cable duct can be easily removed by sliding it out to add or remove cables.

1 m

Item no. 20715

EAN: 4043619207152

Country of origin: China

Package: White Box

Specification

- self-adhesive
- Reusable
- Individually shortenable
- Environmental temperature: -40 °C ~ 65 °C
- Material: PVC
- Colour: white
- Dimensions (LxWxH): ca. 1000 x 56 x 32 mm

Package content

- Corner duct
