

Delock Cable holder with Expansion Anchor grey 10 pieces

Description

These cable holders by Delock enable a clear and orderly sorting of exposed cables.

Integrated expansion anchor

Due to the additional integrated expansion anchor, these cable holders are suitable for mounting in drilled holes, e.g. in a PC case or on a mounting plate.

Simple application

The anchor can be pushed into the pre-drilled hole of a plate and on the backside of the plate, the anchor spreads out again and locks in place.
