Delock Standoff M4 x M4, hexagon, outside / outside, 90 mm natural 4 pcs

Description

These standoff spacers by Delock with different thread sizes can be used for secure mounting of PCBs to create a fixed distance between a printed circuit board and other components. By separating the PCBs from other components, the spacers allow a better ventilation and offer an optimal resistance to high temperatures, e.g. inside of a PC case.

Item no. 60274

EAN: 4043619602742

Country of origin: China

Package: Poly bag

Specification

- Length: ca. 90 mm
- Thread size: M4 x M4
- Thread type: outside / outside
- Thread length: 6 mm
- Spanner width: 9.5 mm
- Shape: hexagon
- Fire-resistance rating: 94V-2
- Material: plastic
- Colour: natural

Package content

- 4 x standoff
