

Delock Universal Remote Control incl. Infrared Receiver for Windows

Description

This Delock remote control is ideal for any PC, especially used for multimedia applications. Insert the infrared receiver into a free USB port of your PC and you can control your whole computer, e.g. in the desktop area, online or in the Multimedia Center. The remote control comes with a mouse and a keyboard. Various function keys such as Web, Email, Copy, Paste etc. make work easier.
