

Delock Adapter SlimPort / MyDP male > VGA female + USB Micro-B female

Description

This adapter by Delock with SlimPort / MyDP interface - a combination of USB and DisplayPort, provides the possibility to view images or videos in HD quality on a monitor or projector which are stored on the smartphone by using an optional VGA cable. Furthermore the adapter provides a standard USB Micro-B female port on the backside. Simply connect the power supply of the smartphone to the Micro USB port in order to charge the device and e.g. watch a video at the same time.

20 cm

Item no. 65551
