

Delock Cable for iPhone / iPod > USB 2.0 + Audio 3.5mm Cinch 1 m

Description

This data- and charging cable by Delock is compatible to iPhone and iPod and can be connected to a free USB port of your PC or notebook. Due to the USB and stereo jack interface the cable provides different features like charging, synchronisation with iTunes as well as transfer of data and audio signals. Hence you can connect the cinch connector to earphones or speaker and listen to music.
