

# CFast Flash Card Type I > 32GB

## Description

The Delock CFast Flash Drive is a CF and „ATA Serial Transport“ (AST) combined new development in fields of memory cards and is due to its high reading and writing capacity ideal for saving and recall data. It mainly convinces by its faster data transfer rate, since CFast is based on SATA.

Ref.	54234
EAN	4043619542345
Country of origin	Taiwan
Customs tariff number	84717070

## Specification

- Capacity 32 GB
- Memory chip: Samsung MLC
- Controller: Jmicron JMF601 (SATA)
- CFast 7+17pin interface / SATA 3 Gb/s
- CFast type I
- Operating voltage 3.3V  $\pm$  5%
- Operating temperature: 0°C to + 70°C
- Endurance:
  - Write/Erase: over 10000 cycles
  - Read: unlimited
- Supports SMART (Self-Monitor Analysis and Reporting Technology)
- 96 MB/s read, 45 MB/s write
- Power consumption:
  - Read: max. 250 mA
  - Write: max. 350 mA
  - Idle: max. 140 mA
- MTBF: > 2.000.000 hrs.
- Vibration: 2.17G ( 7-500Hz)
- Shock: 1.500G / 0.5ms
- Built-in EDC/ECC function
- Dimension (LxWxH): 36,4 x 42,8 x 3,6 mm

## Package

- Retail box
