# Front Panel 2 x Multiport USB 3.0 + eSATAp

Description

This Delock Front Panel can be installed into a 3.5 bay of your desktop PC or on the backside by using the slot bracket. It expands your system by two external Multiport interfaces, a combination of USB 3.0 and eSATAp, which offers several connecting options. Thus you can connect different devices like e.g. hubs, card reader, external enclosure etc. with following interfaces:

1. USB 3.0
2. USB 2.0
3. eSATAp (Power Over eSATA 5 V)
4. eSATA
