

Delock Device stand for 6 tablets or smartphones black

Description

This stand by Delock offers an excellent possibility to place up to 6 different devices, e.g. tablets or smartphones simultaneously and serves as a practical storage place when charging.

High stability

Non-slip pads on the bottom ensure that the stand does not slip and remains securely in position.

Adjustable partitions

By moving the partitions, the distance between the partitions can be individually adjusted to set up devices with different sizes.

Multifunctional application

The stand can be used e.g. in restaurants, bars, hotels, offices or at home.
