Delock Foam Edge Protection self-adhesive 70 x 67 x 35 mm black

Description

This edge protection by Delock can be used for sharp corners and edges to prevent impact injuries.

Simple application
To place the edge protection, the protective film of the adhesive strip must be removed and sticked to the desired corner. The edge protection should always be attached to a smooth and clean surface to ensure an optimal hold.

Multifunctional application
The edge protection can be used e.g., for 90° table corners, shelves, chests of drawers, etc.
