

Delock Smartphone and Smartwatch Stand Holder adjustable silver

Description

This 2 in 1 smartphone and smartwatch stand by Delock not only impresses with its design, where the smartphone is held on one side while the smartwatch can be attached to the other, but also with its stability and function. Thanks to the adjustable angle, the holder can be placed in any position and remains stable. The rubber pads attached to the bottom side and in the holder ensure that neither the devices nor the holder slips.

Magnetic charging cable device

The holder has a cable guide on the back, which allows the charging cable to sit optimally. The smartwatch can simply be put on and charged.

Space-saving

As the holder is completely collapsible, it fits perfectly in your pocket, backpack or suitcase and is ideal for travelling.
