

Delock Cable Duct self-adhesive with cable fixing 85 x 10 mm - length 300 mm 2 pcs white

Description

This cable duct by Delock can be used to bundle and conceal exposed cables, to protect them from dirt or damage.

Easy mounting

The cable duct can be attached with the supplied adhesive tapes on the bottom and can be easily and smoothly attached e.g. to the floor or wall. The adhesive tapes also ensure a firm and secure hold.

Integrated cable fastening for optimal cable management

Inside the cable duct are cable holders in which the cables can be fixed to enable clear and orderly cable routing.

Plenty of space for different cables

Depending on the diameter and thickness of the individual cables e.g. antenna cables, HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away.
