Delock 10" Network Cabinet with glass door 8U black

Description

This network cabinet by Delock can be used for **stand** or **wall mounting** and is ideal for the installation of **10" devices** e.g. patch panels.

Easy access to the devices
The removable side panels allow an easy and quick access to the installed devices in the rear part of the network cabinet.

Front door lockable with viewing window
The network cabinet can be locked to ensure **greater security**. The viewing window allows a **view** of the inside of the network cabinet at all times.

Optimal ventilation system
The integrated **ventilation slots** on the upper cover plate ensure optimal ventilation of the installed devices.
