

# Delock DL4 Solar Connectors for crimping, male and female, black 2 pcs

## Description

These DL4 solar connectors for crimping by Delock can be used in a solar generator junction box to protect against overloads and the effects of short circuits.

### DL4 connectors

The DL4 plugs and sockets have a snap-in function, which avoids unwanted interruptions and ensures a secure connection. The connection can be released again with the appropriate tool.

### IP67 dust and waterproof

The DL4 solar connectors are protected from dirt and moisture.

**Item no. 60028**

EAN: 4043619600281

Country of origin: China

Package: Zip poly bag
