

# Delock Cable Gland 90° angled PG13.5 grey

## Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes. The angled design is perfectly suited to use the cable gland in installation areas with limited space.

### IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

### Multifunctional application

Due to the robust design, cable glands are often used in automation and machine systems.
