

Delock Converter IDE 40 pin > 2 x SATA HDD

Description

This converter by Delock enables the connection of two SATA HDDs via 40 pin IDE interface. The converter can be plugged onto the 40 pin male port of the motherboard and does not require any driver installation. Furthermore the SATA HDDs can be set to Master and Slave.

Note

2 SATA HDDs need to be connected!
When using the 2 SATA HDD in Slave mode, please arrange the setting in the Bios.
When using the 2 SATA HDD in Master mode, the jumper needs to be set accordingly.
