

Delock Adapter MHL Micro USB male + USB-A male > DVI 24+1 female

Description

This adapter by Delock with MHL interface complies with the connection of the latest smartphones and tablets. By using an optional DVI cable you can connect e.g. your smartphone to a TV with HD support and watch pictures or videos in HD quality. Furthermore the adapter provides a standard USB-A cable. Connect it to a free USB port in order to play a video and to supply power to your mobile device at the same time.
