

Delock Connecting Kit USB OTG + Card Reader (Samsung Tablet)

Description

This adapter by Delock is compatible to the Samsung tablet and can be connected to the 30 pin interface of your tablet. The two slots can be used for reading and writing different memory cards like SD / SDHC / MS / MMC / M2 / TF. A USB memory stick can be plugged into the USB-A female port. The switch on the side of the adapter enables you to switch between USB and Card Reader function.

OTG
