

Delock Cable High Speed HDMI with Ethernet - mini C male > A female

Leírás

This High Speed HDMI with Ethernet cable by Delock with mini HDMI-C connector is especially designed for the latest tablets generation and digital cameras and can be used for data transfer, e.g. videos, pictures etc. Thus you can e. g. convert your mini HDMI-C port of your tablet into a HDMI-A port. Through the short cable the interface of your device will be less strained compared to an adapter without cable.
