

Delock Audio Adapter USB Type-C™ male to 4.4 mm 5 pin stereo jack female 12.5 cm

Description

This audio adapter by Delock enables the connection of a device or headset with a 4.4 mm 5 pin stereo jack male connector e.g. to a mobile phone with USB Type-C™ port.

Chipset CX21988

The CX21988 chipset supports high-resolution audio with superior headphone performance and features extremely low distortion and tuning options to significantly improve the performance of the connected converters.

5N PCOCC Silver Plated Cable

The 5N PCOCC Silver Plated Cable supports higher transmission efficiency than copper and therefore offers the advantages of a very fast, crystal clear signal transmission as well as a lower electrical resistance. At the same time, the cable is very flexible and durable. Silver plated cables are especially used for high-end audio and video applications.

Specification

- Connectors:
1 x USB Type-C™ male >
1 x 4.4 mm 5 pin stereo jack female
- Chipset: CX21988
- High-Res audio support
- Audio replay up to 24 Bit / 96 kHz
- Cable gauge: 26 AWG
- Length incl. connectors: ca. 12.5 cm

System requirements

- Device with a free USB Type-C™ port
- Device or headset with a 4.4 mm 5 pin stereo jack male

Package content

- Audio adapter

Item no. 66302

EAN: 4043619663026

Country of origin: China

Package: Zip poly bag

Interface	
connector:	1 x USB Type-C™ male
Connector 1:	1 x 4.4 mm 5 pin stereo jack female
Technical characteristics	
Chipset:	CX21988
Physical characteristics	
Cable length incl. connector:	12.5 cm
Conductor gauge:	26 AWG
