

Delock Easy 45 HDMI Adapter angled 90°

Description

This Easy 45 adapter by Delock is designed to connect two HDMI cables. The adapter can be used to extend cables or as a gender changer. The two holes on the side allow the adapter to be screwed into devices or furniture, for example.

Suitable for Delock Easy 45 module cover

The shape and hole spacing are optimally matched to the Delock Easy 45 module plate with rectangular cut-out. In conjunction with the module cover, the adapter can be mounted in a Delock Easy 45 module holder or in a 45 mm cable duct.
