Delock Easy 45 Module Plate Round cut-out 2 x M6, 45 x 22.5 mm 10 pieces white

Description

This module plate by Delock provides two hole cut-outs of 6.2 mm. The simple snap-in mechanism ensures that the module is firmly in place and can be easily removed if necessary.
This module plate was designed to accommodate various connectors with an M6 external thread. For example, optionally available audio cables with a jack socket can be mounted. The low material thickness of only 1.5 mm provides sufficient strength while requiring little space for mounting.

10 x

Item no. 81369

EAN: 4043619813698

Country of origin: China

Package: Zip poly bag

Easy 45 connects

Easy 45 is a variable, modular system that allows components such as **sockets, HDMI or USB connections** to be added according to your needs. The Easy 45 modules are standardised and can be mounted in various module holder or cable ducts. Easy 45 builds the interface between **electrical, network and system installation** and many peripheral devices such as **TV, monitors, printers, laptops** and much more.
