Delock Cable High Speed HDMI with Ethernet A-male > micro D-male Slim 3 m

Descripción

This active High Speed HDMI with Ethernet cable by Delock complies combines fast data transfer as well as audio-/video- and Ethernet connection. Thus you can connect e.g. your mobile phone to a monitor or TV. The HDMI-A interface is also downwards compatible to its forerunners and enables you to use your existing devices. The cable is most suitable for mobile application since it can be easily stored due to its slim diameter.

3 m
