

Delock Data- and power cable USB 2.0-A male > Micro USB-B male with LED indication

Περιγραφή

This Delock USB data- and power cable can be connected to the standard USB port. Thus you can quickly and easily charge your mobile phone with a micro USB interface and also transfer data. During the charging process the LED lights up in red. As soon as your device is fully charged, the LED turns into blue.

Αρ. προϊόντος 83573
