

Delock Cable Power Over eSATA > SATA 22 pin 1 m

Descripción

This connecting cable by Delock enables you to connect your 2.5" SATA HDD via Power Over eSATA port of your notebook or PC. For this application you do not require any power supply since the integrated USB interface of the Power Over eSATA connector supplies your HDD with 5 V power.

> suitable for ref. 47178 enclosure 2.5" SATA

1 m
