

Delock Cable 1 x RCA male > 2 x RCA female 20 cm OFC black

Description

This RCA splitter cable from Delock enables the splitting and further distribution of an audio signal with the help of optional RCA cables. It can be used to e.g. reproduce a mono audio signal on both stereo audio channels. The oxygen-free copper conductors guarantee an optimal signal transmission.

ca. 20 cm

Item no. 85225

EAN: 4043619852253

Country of origin: China

Package: Zip poly bag
