

Delock Installation Tool for Stainless Steel Cable Ties

Description

This installation tool by Delock enables to tighten and cut stainless steel cable ties with a width of 4.6 to 7.9 mm in one step.

Adjustment for the installation tool

With the adjuster on the bottom side, the tensioning and cutting force can be optimally regulated in four different levels.

Simple application

The cable tie installation tool is handy and easy to use.

Note

Only suitable for stainless steel cable ties.
