

Delock Data and charging cable USB Type-C™ to Lightning™ for iPhone™, iPad™ and iPod™ black 0.5 m MFi

Description

This USB data and charging cable by Delock can be used to connect an iPhone™, iPad™ or iPod™ to a computer or laptop with USB Type-C™ or Thunderbolt™ 3 port, e.g. to a MacBook. The device is charged and data can be transferred.

The connection between Apple and Android devices is also possible.

Fast Charge Support

With fast charge support, compatible Apple devices can also be connected to a USB Type-C™ PD charger for especially quick charging.

MFi Certified

The MFi certification and the original Apple C94 connector guarantee full compatibility to all devices with Lightning™ connector.

Item no. 86636

EAN: 4043619866366

Country of origin: China

Package: Retail Box
