

Delock Cable USB Type-A male to 2 x USB Type-A female with switch 1 m

Description

This cable by Delock can be connected to a power source with USB Type-A port in order to supply power to up to two devices with USB Type-A plug. By using the on / off switch the power supply for the connected device can be switched on or off. Therefore it is not needed to remove the cable from the female port to switch off the power supply.

1 m
