Delock RJ45 Cat.6 built-in connector with protective dust cap

Description

This RJ45 built-in connector by Delock can be used in a switch cabinet or distribution box to connect two RJ45 plugs together.

Dust cover
The dust protection cap protects the female port from dirt or damage when not in use. The built-in socket thus remains ready for use in the long term, especially in dusty environments and in industrial sector.

Item no. 86967

EAN: 4043619869671
Country of origin: China
Package: Zip poly bag

Specification

- Connectors:
  1 x RJ45 jack
  1 x RJ45 jack
- Built-in hole Ø: 23.5 mm
- Cat.6 specification
- With protective dust cap
- Housing material: metal / plastic
- Colour: black
- Dimensions (LxD): ca. 28.3 x 23.5 mm

Package content

- Built-in connector
