Delock RS-232 Tester DB9 female > DB9 male

Description

This RS-232 tester by Delock is compact and suitable as a connection and interface tester without any additional power supply. The 9 LEDs (red, green, off) have two colours and indicate the logical state of each of the data lines. It is also possible to determine e.g. interruptions, crossed wires or a short circuit.

Item no. 87713

EAN: 4043619877133

Country of origin: Taiwan, Republic of China

Package: Retail Box

Specification

- Connectors:
   1 x DB9 female
   1 x DB9 male
- RS-232 (TIA/EIA) specification
- Suitable for indoor use
- LED indicator: 9 x bicolour, red (V+), green (V-)
- Plug & Play
- Material: plastic
- Colour: black
- Dimensions (LxWxH): ca. 45 x 35 x 21 mm
- Weight: ca. 55 g

## System requirements

- One RS-232 interface DB9

Package content

- RS-232 tester
- User manual

Images
