

Delock Long Nose pliers orange 14.2 cm

Description

This long nose pliers by Delock are ideal for gripping, holding and bending wires and sheet metal parts and can be optimally used in electronics and precision mechanics.

Precise working

The pliers have serrated gripping jaws that provide a better grip on smooth, flat materials, making work easier. The handles are insulated and the joint is equipped with a stainless steel rivet, while the rubberized structure provides an optimal grip.

Item no. 90544

EAN: 4043619905447

Country of origin: Taiwan,
Republic of China

Package: Blister

Specification
