

# Delock Crimping Tool for MC4 - DL4 plug 2.5 - 6 mm<sup>2</sup>

## Description

With this tool by Delock a **solar cable** can be installed quickly and easily to a connector. The rubberized handles provide a firm grip during the crimping process.

### Exchangeable ratchets

The press profile insert, the so-called ratchets, are exchangeable, so that the right pair can be installed for every application.

### Note

The plier has a locking mechanism to prevent unintentional closing or opening. Seven clearly audible locking points signal this mechanism. After the seventh, the pliers open again when the handles are pressed together.

### Item no. 90546

EAN: 4043619905461

Country of origin: Taiwan,  
Republic of China

Package: Blister
