

Delock Round Cable Scissors for cables up to 10.5 mm diameter

Description

These scissors by Delock are especially suitable for cutting cables up to 10.5 mm in diameter, as well as wires up to AWG 8 (10 mm²).

Good handling

The ergonomically shaped handle makes work easier and can be used by both right-handed and left-handed people. In addition, the scissors have a return spring and a locking mechanism.

Item no. 90575
